I am looking for an entry-level position to kickstart my career in the i wish to work in a dynamic organization that will contribute to my professional and personal growth while i contribute to the growth of the company as well as engage in opportunities to further the company's goal.

## Experience

- Student @ Tops Technologies 13 Jul 2023 - Present

**Job Description:** I am currently doing a Full Stack course at Tops Technologies.

**Project:** Ecommerce Website

**Technology Used:** Java Servlets, JSP, Spring, MySQL

**Description:** Developed a user-friendly E-Commerce website for the fashion industry using Java. The platform includes secure user authentication, dynamic product listings, a comprehensive shopping cart, seamless checkout and payment integration, order management, and shipping coordination. Leveraged technologies like Java Servlets, JSP, Spring, MySQL, and integrated payment gateways such as Stripe and PayPal to ensure a robust and scalable solution.
